# *Dart*

Designed to give the enthusiast owner a truly practical sports car, the Daimler "Dart" is an entirely new conception which for performance, driving comfort, servicing ease and reliability is unrivalled. Construction-wise the "Dart" offers a remarkable specification. Highlights include new 2½ litre V-8 engine with searing performance plus uncanny flexibility—beautiful aerodynamic polyester body in range of striking colors—hydraulically operated disc brakes—carefully balanced suspension giving resilience with pinpoint accurate handling—ample locker space and low overall weight.

Shown on right, the cockpit provides generous leg and headroom for 2/3 people. Front adjustable bucket-type seats in finest real hide trim. Short rapid-shift type gearlever. Padded control panel with large quickly read instruments. Easily erected fabric top and wind-up side windows provide closed car protection when required.

BUILT TO GO PLACES... *FAST!*

People who're going places . . . fast . . . are going Daimler Dart! Nimble as a kitten in town traffic, the Dart's true domain is the highway. To feel its eager response as you open up is to know a new motoring adventure. And with the exhilaration of its power you get the confidence of feather-light handling, positive disc-braking and impeccable cornering.

Breathtaking as its performance is Dart styling! From sleek, fluted grill to flaunting rear fins, every eye-appealing curve of its polyester body expresses the spirit of speed.

This, then is the "Dart", the newest and most exciting of all fine sports cars. A car that will captivate the newcomer as surely as the seasoned driver. A car that is a joy to drive and a source of never ending, thrilling satisfaction.

For performance . . . styling . . . handling . . . go Daimler Dart!
